

CC Docket No. 02-6

February 2, 2006

Federal Communications Commission
Office of the Secretary
445 12th Street, SW
Room TW-A325
Washington, DC 20554

To Whom It May Concern:

I am appealing the Administrator's Decision on Appeal- Funding Year 2005-2006 made by the USAC. The form 471 Application Number is **457383**, Funding Year 2005, and Billed Entity Number 141025 for entity Jacksboro Independent School District. My contact Information is as follows:

Dennis Bennett
Jacksboro Independent School District
812 W Belknap
Jacksboro, TX 76458
Telephone Number: (940) 567-5544

Funding Request Number **1273460** and FRN **1273373** were denied due to "no technology plan covering the current needed if seeking discounts for more than basic phone service." A technology plan is not required if you are applying for discounts on basic local and long distance telephone service. The above Funding Requests are for basic local and long distance telephone service only. Therefore, the requests would be eligible for the e-rate discount. If I need to provide further documentation or answer questions, please contact me at the above number or email bennettd@jacksboroisd.net.

Sincerely,

Dennis Bennett
Superintendent
